

SM8032 Dreammaker

Boat Type: NarrowBoat

Boat Make:TT Marine

Boat Length: 40ft

Boat Beam: 6.10ft

Craft Description

The front deck, with lockers either side, leads to a lounge area which has bench seating to port which can be used as a single berth. Heating is provided by a Reflex diesel fired stove, with back boiler feeding a radiator in the toilet/shower area. Wardrobes either side of the central gangway split off the forward cabin from the galley area. Worktops are fitted either side of the galley. This is equipped with 2 burner hob, grill, oven, stainless steel sink and drainer, mixer taps, separate filtered drinking water tap and 12v fridge. A sliding door and the toilet door provide privacy for the shower area. The rear cabin has single bunks either side and steps leading out to the semi-trad stern, which has a cover.
